

BIRTHDAY PARTIES

Thank you for your enquiry for your child's birthday party. Please see the details below. Should you wish to view the venue, please feel free to pop by anytime during the week before 2pm and **we will gladly show you around.**

PARTY BOOKINGS

Funworld's dedicated children's party time is only on **Saturday mornings from 9am to 11am**. During this time Funworld is closed to the public to ensure that everyone has a fun and memorable time. The cost per party is **R 2 000 for 25 children, thereafter it is R 75 per child.**

Please note: The children's parties are held where the kiddies rides are located and only the kiddies rides are open during the parties, so ideally this only suits children up to the age of 6/7 years. Parties are not held during the school holidays as we are busy preparing for the public during that time. Early bookings are essential as we can only cater for a limited number of parties on a day.

PARTY TIME

Your party fee includes **unlimited kiddie rides for the full 2 hour period** (excluding the mini cars for which 50 discs are issued). You may gladly have more than 25 children at the party for an additional fee of R75 per child.

Upon arrival the Funworld staff will direct you to your designated party area. Your party area will include a gazebo, table, chairs and an urn (if required). Funworld staff are available to assist you unload and load your party goods from your car.

CANCELLATION

A non-refundable R1000 deposit is payable at the time of booking to confirm your party booking. In the event that you cancel your party, this deposit will not be refunded.

BAD WEATHER

Funworld is an outdoor facility. In the event that Funworld must close due to bad weather conditions, you may reschedule your party or receive a full refund including your deposit. Please be aware that Funworld will do its best to remain open if it is only light rain. If the park is open and you decide to not have your party then your deposit will remain non-refundable.

CHANGE OF DATE

Should you need to change the date of your party please contact us at least one week prior to the scheduled date of the party so new arrangements can be made. Changing the date within the last week before the scheduled date of the party will be regarded as a cancellation and a new booking and non-refundable R1000 deposit will be required. We cannot guarantee that we will be able to accommodate your new party date.

IMPORTANT INFORMATION

We want your child's birthday party to be a happy and memorable occasion for everyone so it is important that you please read and understand the information in this leaflet. Please note some rides do carry height restrictions.

Funworld does its best to ensure that all the rides are in operation on weekends, however, due to routine maintenance, we cannot guarantee that all the rides will be in operation on a particular day.

You may bring your own food and soft drinks into Funworld, but no alcoholic beverages or cooking devices such as Braai's, Grills or Gas Stoves are allowed.

We look forward to helping you make your child's birthday a day to remember.
